1. If you attended another class or tutoring, include the purpose of the class or event, your Cornell Notes and a summary of what you learned. Must be verified by the teacher...teacher's signature required.
2. Read an educational article, take Cornell Notes and write a summary/reflection of article.
3. Design a poster about AVID to be displayed in the room or office. Must be creative, colorful, and extremely neat.
4. Write a testimonial about the AVID program, and how it has helped you become a better student. Must be at least one typed page or two hand-written pages.
5. Write an article for the school newsletter about AVID. Examples of what to include in your article: What is the AVID program? What does it mean to be an AVID student? Describe activities and events we do in AVID.
6. Tutor another student in any curriculum area for at least 30 minutes. Complete the AVID Tutorial Form...include the student's name, state problem and curriculum area, summarize your procedure for helping the student, and the amount of time you tutored.
